TAFT IN MONTANA

President Went Down 1200 Feet in Copper Mine.

WAS WONDERFUL EXPERIENCE

Inky Darkness Prevailed While He Was Shot Down Shaft Like Lightning—Westerners Give Chief Magistrate Welcome.

(By Wire to the Morning Star.)

Helena, Mont., Sept. 27.—Attired in a linen duster, an old black slouch hat and swining an electric lantern at his side, President Taft was locked in a narrow iron cage and dropped 1,200 feet through darkness into the depths of the famous old Leonard Copper mine at Butte today. He had the rare experience of seeing miners at work with a giant drill in a vein of high grade ore that sparkled green with its wealth of mineral.

After half an hour underground the President was brought to the surface, blinking in the glare of the noon-day sun. He was cheered to the echo by the crowd of curious people gathered at the hoist.

He declared enthusiastically: "I would not have missed it for the world."

It was the President's first visit to the Montana copper region and between the smelters at Anaconda and the mines at Butte he had a series of interesting experiences. Not the least of these was a thrilling automobile ride over the mountains from Butte to the mouth of the Leonard mine. The grades were steep and winding but the chauffeurs were experienced men, and, while there was apparently no threat of danger at any stage of the trip there was a sigh of relief when Mr. Taft had once more been placed safely aboard the Mayflower for the run to Helena.

Arriving at Helena, he went directly to the State fair grounds, where after viewing a portion of the exhibits, he made an open air address and witnessed a race of cowboys. Returning to the city Mr. Taft reviewed a parade of school children.

Leaving Helena this evening he headed direct for Spokane where he is expected tomorrow to deliver his formal speech on the conservation of natural resources and the reclamation of arid lands.

The President made a flying trip through the Washoe Smelter of the Amalgamated Copper Company at Anaconda, then proceeded into the city and after a brief address took the train for Butte. The crowds which greeted him on the streets there were the largest he had seen since leaving Chicago.

YOUNG LADY'S HORRIBLE FATE.

Criminally Assaulted and Shot by Her Assailant.

(By Cable to the Morning Star.)

Santa Fe, N. M., Sept. 27.—As a result of being criminally attacked and shot Tuesday while in the outskirts of the town, Gertrude Montgomery, who came here from Shreveport, La., where she taught in college for five years, died in this city today.

Miss Montgomery was not found until yesterday when, awakening from her stupor she tried to crawl to a water hole to quench her thirst, and was seen by a little girl who gave the alarm. Three convicts at work on the highway in that vicinity have been arrested.

OUTLINES.

At Helena, Mont., yesterday President Taft went down 1,200 feet through darkness into the depths of a copper mine; he enjoyed the novel experience and pronounced it wonderful; the people gave him a rousing welcome——The State authorities of Oklahome have been enjoined by the Federal court for doing anything to prohibit the piping of natural gas out of that State——The trial of Prof. J. F. Harris, a North Carolinian, who shot and killed William A. Thompson, associate editor of the Warrenton Virginian, will commence tomorrow at Warrenton, Va.——The Dutch steamship Zeeburg foundered on the Florida coast near Jacksonville yesterday and after unsuccessful efforts to pull her off was abandoned by the crew. She carried cargo valued at $80,000 which is a total loss——Commander Peary reached Bar Harbor, Maine, yesterday, on his return home and last night held a conference with Gen. Thomas H. Hubbard in regard to his contention that Dr. Frederick A. Cook did not reach the North Pole——Twelve of the crew of a Norwegian steamer perished yesterday, when the vessel foundered near the Delaware capes——New York markets: Money on call firm 2 3-4 to 3 per cent., ruling rate 2 7-8 to 3, closing bid 2 1-2, offered at 2 7-8; spot cotton 5 points lower, closing quiet at 13.55; flour steady with a fair trade; wheat firm, No. 2 red nominal elevator, No. 2 red nominal f. o. b. afloat; corn firm, No. 2 old 76 1-2, domestic 77 1-2 nominal elevator! oats steady, mixed 41 to 42; turpentine firm 62; rosin steady.

TWELVE PERISH IN WRECK

Norwegian Steamer Foundered Off Delaware Capes—Six Members of Crew Rescued by Boat From Lightship.

(By Wire to the Morning Star.)

Baltimore, Sept. 27.—Six survivors of a ship's crew of 18 are aboard Winter Quarter lightship, the remaining 12 men having perished according to a report made by Captain Delano, of the steamer Porto Rico, which arrived here today. The name or the kind of vessel wrecked could not be learned.

Captain Delano stated that as the Porto Rico was passing Winter Quarter lightship yesterday morning a signal was seen flying from the lightship. A heavy northeast gale prevailed. He ordered his ship run close to the light station and when as near as consistent with safety because of the nature of the weather an attempt was made to communicate by megaphones. It was difficult work with the wind whistling about the superstructure of the ships, but enough was learned by those on the Porto Rico for them to realize that a ship had foundered.

The captain of the lightship said there were six survivors from the ill-fated ship on board his vessel and asked that they be taken off. Captain Delano considered the matter carefully and decided it would be tempting death to try to make the transfer after the weather conditions prevailing. Those on the lightship were apparently satisfied to wait.

While the information was given that 12 persons had been drowned no attempt was made to secure names. Those on the Porto Rico said they saw a small boat hanging to the rear of the lightship. The little craft was badly battered, and it is believed that the men saved made their way in it to the lightship. It is not thought the small boat which brought the survivors could have come any great distance.

A Norwegian Vessel.

New York, Sept. 27.—The succored crew now on board the Winter Quarter shoal lightship is that of a Norwegian steamer which foundered nine miles east northeast of the lightship at noon yesterday, according to the officers of the steamer Chesapeake, which arrived today from Baltimore. Signals from the lightship told the story of the disaster as the Chesapeake was passing but the name of the steamer could not be read.

The captain of the Chesapeake said he understood the foundered vessel was a fruit steamer and her name as megaphoned to him sounded like "Meyer". It is believed here that the lost vessel whose crew is now aboard the Winter Quarter lightship, was the Norwegian steamer George.

The steamer cleared from Philadelphia September 23rd for Sagua La Grande, Cuba.

Cutter to the Rescue.

Washington, Sept. 27.—The United States revenue cutter Yamacraw will be sent to the Winter Quarter lightship to take off the six members of the crew who were rescued from the sinking vessel and take them to port. Efforts are being made by the revenue cutter service officials to reach the Yamacraw either by wireless telegraph or by land wire. She was last heard from on her way back from assisting the disabled steamer Carib off Cape Hatteras.

Lieutenant Fisher, commanding the Yamacraw, will be directed to proceed as expeditiously as possible to the Winter Quarter lightship, south of Delaware Capes, to remove the shipwrecked sailors.

WHISKEY COMPANY TO DISGORGE

Another Sensational Turn in South Carolina Dispensary Hearing.

(By Wire to the Morning Star.)

Columbia, S. C., Sept. 27.—Following a conference last week between the winding up commission of the old dispensary and the representatives of the Bernheim Distilling Company, of Louisville, Ky., the company today announced that it will refund to the State overcharges on liquors amounting to $30,000.

The company which was represented before the old State board of control by James S. Farnum, acquitted Saturday of bribing Joseph B. Wylie, then a member of the purchasing board, to give the concerns represented by Farnum the preference in purchasing liquor, admits the overcharges, and says it is willing to make good the State's loss.

The refund is voluntary on the part of the company. Farnum is under indictment for conspiracy, and there are two more charges of bribery against him.

What effect this admission by the liquor house that it secured contracts at exorbitant prices will have on these cases is not known here.

REV. MR. MILTON'S SUCCESSOR

Atlanta Preacher Called to Lynchburg Church—Comes Here.

(By Wire to the Morning Star.)

Roanoke, Va., Sept. 27.—Z. S. Farland, of Atlanta, Ga, has been called to the pulpit of St. John's Episcopal church, this city. The vacancy is caused by the resignation of Rev. W. H. Milton, who goes to Wilmington, N. C.

POLE RECORDS SAFE

Dr. Cook's Says His Instuments Will be Cared For By Eskimos.

PEARY TALKS OF WHITNEY

Peary Admits That He Refused to Bring Back Cook's Records—Controversy Waxing Warm Among Explorers.

(By Wire to the Morning Star.)

New York, Sept. 27.—"My instruments are not lost. I am sure of that," said Dr. Cook in a further interview with the Associated Press today. "I shall have them brought here. My Eskimos are at Etah and they know the value of the instruments, although they did not understand how to use them. They have a kind of sacred regard for them and will take good care of them.

"If I had known what I know now, I should not have left either records or instruments at Etah. Mr. Whitney told me and fully believed his ship was going to that place, and he advised me to leave my things in his care, to be brought to New York on board his ship where they would not be jolted so much as in a sledge journey over the rough land ice at Upernavik. I did not think at any moment of having them forwarded on the Peary ship.

"As to the incident of the American flag which I had hoisted temporarily at the pole and then brought back to Etah with me I gave it to Mr. Whitney on his special request. He had it in his private trunk when he went on board the Roosevelt but he was not, according to his own statement, permitted to bring it with him. He was compelled to take it out of the trunk and bury it."

Peary at Bar Harbor.

Bar Harbor, Me., Sept. 27.—Commander Robert E. Peary accompanied by his wife, reached here tonight from Portland and within half an hour, was in conference with General Thomas H. Hubbard, president of the Peary Arctic Club, concerning the statement which soon will be made public by Commander Peary to support his contention that Dr. Frederick A. Cook did not reach the pole. The conference was still in progress late tonight:

"There is nothing to say just now," said General Hubbard tonight.

"No date has been set for the meeting of the officers of the Peary Arctic Club and I shall not determine that until my return to New York next week."

The conference will be continued tomorrow and late in the day Commander Peary probably will return to Eagle Island.

From what can be learned of the conference tonight Peary went over every phase of his alleged evidence against Dr. Cook dating from the time the Brooklyn explorer began his preparations to go North, more than two years ago and until after Peary's interviews with Dr. Cook's Eskimos at Etah.

There was a large crowd at the steamboat landing, notwithstanding inclement weather, to give Commander Peary and his wife a hearty welcome today.

During the trip to Bar Harbor Peary spoke frequently of Harry Whitney. "There might have been some strange reasons why Whitney did not go back to Etah in the Jeanie for Dr. Cook's stuff," he said. "I cannot understand how anyone could let such records get out of his hands. I would not give my records to my dearest relative. I say again I don't see how Cook could have turned his stuff over to Whitney or anybody else. I secured my instruments in a bag and the flag which I took to the pole I sewed in my clothes and I wore it until I reached Battle Harbor.

"I kept my records under watch day and night and I was prepared in case the Roosevelt was crushed in the ice to throw them overboard so that they could float in their cases. Can you imagine me giving up those records to a perfect stranger?

"Harry Whitney did not tell me what was in Dr. Cook's stuff except six fox skins, a Narwhale horn and some other trophies. I could not see why I should have carried the stuff when Cook could have taken it. If Dr. Cook's stuff was of such importance why didn't Whitney go back in the Jeanie and get it?"

HARRIS TRIAL AT WARRENTON.

High School Principal Slayer of Editor—Self-Defense.

(By Wire to the Morning Star.)

Warrenton, Va., Sept. 27.—With public interest at fever heat, Prof. J. F. Harris, principal of the Warrenton High School, tomorrow will be placed on trial for shooting William A. Thompson, associate editor of the Warrenton Virginian, on April 24 last.

Thompson was shot on the streets of the town and died the next day in a Washington hospital. Self defense will be the plea entered by Harris.

AFFAIRS IN RALEIGH

Governor Kitchin is Summoned to Bedside of His Mother.

HEARING ON OIL INSPECTION

Charters by Secretary of State—Judge Allen's Charge to Grand Jury in Wake Superior Court—Fifth District Appeals.

(Special Star Correspondence.)

Raleigh, N. C., Sept. 27.—Governor Kitchin was called Sunday evening to Scotland Neck on account of the serious illness of his mother. Her condition is such as to cause very grave fears for her life. She is advanced in years and has been quite feeble for some time. She was in Raleigh at the time of the inauguration of her son as Governor and witnessed the inaugural ceremony, but has not been able to make the trip to Raleigh for a visit at the mansion since.

Mr. James H. Pou, for the Standard Oil Co., made an argument this afternoon before the Commissioner of Agriculture Graham, against a recent order of the illuminating oil committee that barrels of oil shall have affixed to them labels showing what tax-paid tank they were drawn from and the date of the filling. Hon. R. H. Battle, counsel for the State sat with Commissioner Graham and will advise him before the case will be finally pashed upon. This is the first objection the Standard Oil Co., has raised to the inspection act or the regulations, they not having been interested at all in the suit that tested the constitutionality of the inspection act.

Commissioner Graham changed the rule so that oil companies must furnish to merchants to whom tax paid barrels of oil are sold specifying the tank from which the oil is taken and the date drawn.

The Secretary of State charters the State Insurance and Realty Co., Fayetteville, capital $150,000 authorized and $50,000 subscribed by A. L. McCaskill, V. C. Bullard, H. L. Cook, J. C Jackson and others; also The Guilford Amusement Co, High Point, capital $1,000 for operating moving picture and other shows, W. G. Burwell. T. J. Gold and others incorporators.

In his charge to the grand jury this morning in Wake Superior Court Judge W. R. Allen was urging the importance of rigid enforcement of the law against carrying concealed weapons and told of a recent instance in this district where the judge was charging the jury on this subject and directed the solicitor to have the court room door closed and everybody in the room searched to see if they had deadly weapons about them. An old negro sitting near the front row jumped up and hurried toward the door, but in some awkward movement let his revolver fall to the floor. The judge proceeded to make an object lesson of this victim by sending him to the roads for a good long term. Judge Allen gave the jury special charges as to finding indictments for selling whiskey and maintaining disreputable houses, there being a large number of cases for both offenses coming up from the Raleigh police court as a result of the crusade the "reform" administration has made in this direction. There are 179 cases on the docket for this two week's criminal term of Wake court.

Fifth District appeals will be called for argument in the Supreme Court in the following order Tuesday, the sessions to continue probably through Friday as there are 26 cases; State vs. Moore; Lumber Company vs. Rowe; Williams vs. McFayden; Worth vs. Trust Co.; Thigpen vs. Cotton Mills; Powell vs. Flowers; Jackson vs. Farmer; Winslow vs. Railroad; Hanstein vs. Ferrell; Bank vs. Hatcher; Lumber Co. vs. Railroad; Dunn vs. Knights of Giddeon; Williams vs. Dunn; Parker vs. Dunn; Ward vs. Hargett; Hobbs vs. Railroad; Swain vs. Railroad; Eubank vs. Deppe; Southerland vs. Kennedy; Weil vs. Uzzell; Timber Co. vs. Wilson (two appeals); Riley vs. Sears; Walker vs. Walker; Hardy vs. Insurance Co.; Herring's will case.

There was received today at the office of Governor Kitchin the resignation of A. T. Grant, of Davie county, as a member of the lower house of the Legislature, the resignation being on account of his appointment as census supervisor of the seventh North Carolina district. His resignation will await the return of Governor Kitchin from Scotland Neck where he is detained by the illness of his mother. Mr. Grant served three terms in the Legislature and was a recognized leader of the minority.

Governor Kitchin appoints as delegates of this State to the fourth annual convention of the Lakes to the Gulf Deep Waterway Association at New Orleans October 30th to November 3rd: Dr. D. L. James, Greensboro; W. J. Lassiter, Rich Square; C. L. Kellum, Jacksonville; C. W. Horne, Clayton; S. M. Gattis, Hillsboro; A. J. McKinnon, Maxton; T. L. Caudle, Wadesboro; Lawrence Wakefield, Lenoir; E. L. Schuford, Hickory; Theo. Davidson, Asheville.

To buy advertised things is coming to be a fixed habit of the people—and it's a profitable habit, too.

MANY INJURED IN EXPLOSION

Occurred in Business District of Pittsburg Yesterday and Wrecked Whole Building—Loss Estimated $200,000.

(By Wire to The Morning Star.)

Pittsburg, Sept. 27.—A terrific explosion occurred today in the offices of the Columbian Film Exchange, located in the Ferguson building between Smithfield and Wood streets, in the heart of the down-town district.

From 50 to 75 persons were injured, many of them seriously and the monetary damage is estimated at $200,000 or more.

At first it was believed seven employes of the film company had lost their lives, but a thorough search of the ruins failed to disclose any dead. The employes, it is now thought, made their escape and have not been located owing to the great confusion which followed the explosion.

A score of the injured were taken to hospitals. A majority of them are burned, while the others sustained fractures of the arms and limbs.

The force of the explosion was so great that the south wall of the Ferguson building, on Third avenue, was blown out. The remaining walls were badly damaged and the building inspector immediately ordered them razed. Windows for fully a square on either side of the explosion were brokken and a number of pedestrians making their way along Fourth Avenue, the "Wall Street" of Pittsburg, were cut by falling glass. The explosion was caused by an electrical spark. The manager o fthe film company was absent.

BASEBALL RESULTS

Both Philadelphia and Detroit Americans—Pittsburg Nationals Lost.

(By Wire to the Morning Star.)

Pittsburgs, Sept. 27.—Pittsburg lost an opportunity to clinch the National League pennant today when Leifield weakened in the ninth inning of the secod game with New Y ork, the visitors scoring five runs and winning by a score of 8 to 7, the locals winning the first contest by a score of 6 to 1.

Pittsburg needs but one more victory to make them the 1909 champions of the National League.

opportune hits off Crandall in the initial game won for Pittsburg. Adams was strong at all times and allowed but three hits these all being in the seventh inning when New York secured their only tally.

Pittsburg .. ....200 002 02x—6	9	0
New York .. ..000 000 100—1	3	2

Adams and Gibson; Crandall and Schlei.

Pittsburg .. ....010 220 110—7	14	2
New York .. ...020 000 015—8	11	2

Leifield and Gibson; Wiltes, Klawitter and Meyers and Schlei.

Chicinnati, sept. 27.—Brooklyn lost both games today to Cincinnati. In the first game the visitors got an early lead, but finally were overtaken. Cantwell was invincible after the first inning of the second game, while Bell was hit rather hard. Darkness stopped the contest in the eighth inning.

Cincinnati .. ...001 020 10x—4	10	2
Brooklyn .. ....101 100 000—3	9	3

Ewing and Clark; Dent and Marshall. Time 1:50. Umpires Rigler and Klem.

Cincinnati .. ....010 200 00—3	9	1
Brooklyn .. ..100 000 00—1	4	1

Cantwell and Clark; Bell and Bergen.

Chicago, Sept. 27.—Chicago defeated Philadelphia in the opening game of a four game series today, 4 to 1. Overall's pitching was too much for the visitors, who secured but four hits. Corridon on the other hand was hit quite freely.

Chicago .. ..030 100 00x—4	8	2
Philadelphia ....001 000 000—1	4	2

Overall and Archer; Corridon and Dooin.

American League.

New York, Sept. 27.—On account of a slight rainfall only one game was played today between New York and and Detroit and this the locals won 4 to 1. The visitors only run came in the first inning on a base on balls to Bush, Cobb's single and Crawford's sacrifice fly.

New York won the game in the second inning. Engle singled and Knight was hit by a pitched ball. Austin forced Knight and stole second, scoring with Engle and Blair's scratch hit along the third base line. In the third inning New York got two more r uns on Hemphill's single, which was the last hit off Willetts; Moriarity's fumble, Chase's steal, a wild pitch and Engle's out lost the game.

Detroit .. ..100 000 000—1	5	3
New York .....022 000 00x—4	3	2

Willetts and Stanage and Schmidt; Warhop and Blair.

Philadelphia, Sept. 7.—Cleveland defeated Philadelphia today by 5 to 4. The last six innings were played in a drizzing rain which made the ball hard to control. Philadelphia had several chances to send runners across the plate but three double plays in each of which Lajoie figured, cut off their chances.

Philadelphia ....200 002 000—4	7	3
CCleveland .. ..010 201 100—5	13	2

Coombs, Grause and Lapp; Upp, Otis, Winchell and Easterly.

Washington, Sept. 27.—Forman was wild and ineffective today, Chicago making enough runs in the two innings to defeat Washington easily. Scott was a puzzle to the locals when hits meant runs.

Washington .. ..001 000 000—1	6	3
Chicago .. ..322 001 000—8	11	3

Forman, Reisling and Slattery; Scott and Payne.

Other games, rain.

FETE ON THE HUDSON

Dedication of Monument and Park Among Notable Events.

CROWDS KEPT BACK BY RAIN

Governors of Two States Spoke at the Exercises—The Great Historical Parade Will be Chief Feature of Today.

(By Wire to the Morning Star.)

New York, Sept. 27.—Although rain today forced the larger part of the Hudson-Fulton crowds to make the day one of rest in-doors and necessitated the postponement of the aeroplane flights and the balloon race to Albany, the more formal part of the morning and a programme—including the notable dedication of Palisades Park, the new inter-State preserve along the lower Hudson; the dedication of an imposing monument to Henry Hudson, in the upper part of New York City, and the afternoon reception to the naval visitors on Governors' Island—went off without a hitch, marking the day as an important and significant one in the week's festivities.

The exercises at Palisades Park celebrated the saving of these picturesque cliffs near the city from the vandal hand stone cutters and the turning over to the people of New York and New Jersey of a strip of beautiful park stretching for 14 miles up the west bank of the river. Speeches by two governors proved a drawing card which attracted many thouasnds New Yorkers and Jerseymen to the spot.

Governor Hughes found the occasion a fit one for urging upon the people of the two States the conservation of their rivers and forests.

"I hope that this is only the beginning," he said, "of efforts which may jointly be made by these two commonwealths to safeguard the highlands and waters in which they are both deeply interested. The entire watershed of the Hudson should be conserved to be used by the people of the countryside for common recreation."

Governor Fort, speaking for New Jersey, declared that the 500 acres of this palisade park are destined to become the most important public preserve in the United States.

The cornerstone of the monument to Henry Hudson on Spuyten Duyvil Hill was laid later in the day in a drizzling rain. The storm kept down the attendance but did not bother Governor Hughes, who had come over from Palisades Park in time to deliver a eulogy on the discoverer of the Hudson.

The monument will be a towering marble shaft crowned with a statue of Hudson, standing close to the spot where legend places the first landing of the discoverer on his trip up the river.

Preparation for the great historical parade which will start early tomorrow afternoon went on today unhindered by the rain.

The line of march of the parade was tonight a mass of waving color and bright lights.

In preparation for the largest crowd which the city has ever seen shopkeepers along the route have shutterer their plate glass windows with boards, and householders have barricaded themselves behind strong picket fences which the crowds will be unable to scale.

Four hundred officers of visiting warships were entertained on Governors' Island this afternoon by Major General and Mrs. Leonard Wood.

REVIVAL AT FIFTH STREET.

The Pastor Assisted by Rev. D. H. Cowan, of Lenoir.

The revival which began at Fifth Street Methodist church Sunday is increasing in interest and large congregations are attending every service. Rev. D. H. Coman, of Lenoir, N. C., the authorized evangelist of the Western North Carolina Conference, is doing the preaching and he has made a deep impression upon his hearers. He is a preacher of great power and magnetism and never fails to arouse his hearers. Rev. K. D. Holmes, the pastor, has been trying for two or three years to get the able divine to visit Wilmington and he feels gratified that his church is at last to have the benefit of hearing the noted evangelist. Services are being held every afternoon at 4 o'clock and at 8 o'clock at night, and the revival will continue for about ten days.

CHARGED WITH BURGLARY.

Negro Placed in Jail at Fayetteville For Serious Crime.

(Special Star Telegram.)

Fayetteville, N. C., Sept. 27.—Marshall Williams, a negro, was placed in jail here today charged with burglary in entering the home of Fleet Johnson Saturday night while under the influence of whiskey.

PRODUCTION OF PECANS.

The growing of pecans in portions of Southwest Georgia is a profitable industry, but it has not been developed to the point that it should. All the conditions in the portion of Georgia referred to are ideal for the cultivation of the pecan, and it is a fact that similar conditions exist in Eastern North Carolina.

North Carolina's swamp lands, savannahs and pocosins offer unequaled opportunities for the cultivation of pecans and other nuts, and the day may come when this industry will rival in importance the production of truck, strawberries, cotton, tobacco, peanuts and other products that are so well calculated to enrich a country.

Speaking of tne pecan industry in Southwest Georgia, the Albany (Ga.) Herald says this about the industry:

"Among the other bumper crops made and being made in Southwest Georgia this year, that aristocrat of the nut family, the pecan, should not be overlooked. The pecan is a first cousin to the humble hickory nut which grows wild in the woods and swamps of the South, and a half brother to the wild pecan so common in several of the Gulf States, but it has improved so wonderfully under the intelligent care of horticulturists and nut specialists that its size has more than doubled, its shell been shorn of more than half its thickness and its meat endowed with a flavor which renders it the delight of the true epicure. The crop this year is a bountiful one, and it will soon be on the market. By "on the market" it is not meant that the choice pecans of Southwest Georgia groves will have to seek buyers, for the demand so far exceeds the supply that the crop will be gobbled up promptly and voraciously. The time will never come, in the opinion of those who have made a study of the subject, when the supply of paper-shell pecans will be sufficient to meet the dometsic demand—much less provide a surplus for export to the waiting markets of the Old World."

One can readily infer from the above that the pecan industry is not developed to the point that is warranted by what the Herald says of it. The industry appears to be profitable in supplying the home demand, and it should be even more so in putting it on a commercial basis.

Some pecans are produced near Wilmington and they are of very fine quality. However, the supply is limited and all are readily sold for local consumption. Whether the industry is ever developed on a scale that its importance seems to warrant, it only goes to show that the potentialities of this region for the production of a great variety of commercial crops are but slightly comprehended. The fact is, the productive resources of North Carolina are in the infancy of their exploitation, and the studies and discoveries that are yet to be made will reveal to future generations that we have had a long and neglectful snooze over our opportunities.

HURTFUL TO NORTH CAROLINA.

We very much fear that the sensational news sent from North Carolina, and repeated every now and then when a case of pellagra is discovered, will prove quite hurtful to the State. The alarming story has been sent out that there are 1,000 cases of the more or less strange disease in this State. We haven't any idea that there are even one fourth that many genuine cases in North Carolina, and we rather suspect that many diagnoses are as hasty and unfounded as was the case of Early, the North Carolina mountaineer who got poisoned in a paper mill but whose case was diagnosed as leprosy by grave and reverend medicos connected with the United States Government.

The sensational news sent out from North Carolina has received wide publicity both in this country and Europe and it is still on the rounds, serving either as a piece of startling information or as the subject of alarming editorials. Here is a sample of it, furnished by an editorial in the Atlanta Journal of September 25th:

"One of the most alarming reports in regard to the spread of pellagra comes from North Carolina, where it is said that there are one thousand cases, only one county out of neityeight being entirely exempt.

"This is an astonishing record, and it is hoped that there may be some mistake in the diagnosis. The fatality which so frequently—almost invariably—attends an attack by this disease, of which we have heard for the first time but a few months ago, makes it a matter of grave apprehension when announcement comes that a thousand cases have developed in a single State.

"The authorities in North Carolina fully realize the desperate situation and they are making arrangements to establish a charity hospital in Charlotte and at the same to do everything in their power to find cure.

"The situation indeed calls for the most earnest investigation on the part of the medical authorities, both State and National, and it is hoped that within a short time a clearer understanding may be reached in regard to the nature and the proper treatment of it.

"Georgia has her proportion of cases but the situation in North Carolina calls for urgent consideration."

The notoriety which all this is giving to North Carolina is certainly unevenliable.

HIGHWAYS FOR AGRICULTURE AND COMMERCE.

The Charlotte Observer is running a series of illustrated articles on good roads by that master thinker and practical man, Mr. D. A. Tompkins. This important question is being exploited by Mr. Tompkins in a manner that presents it in the most thorough and impressive way that could have been conceived, and it is a pity that every man in North Carolina could not see those illustrations and absorb the truths and arguments so strongly made by a man who is philosopher, economist and thinker. Probably no man in North Carolina is so well qualified as Mr. Tompkins to speak of the importance and value of suburban roads of the modern kind that has been such a power in developing the county of Mecklenburg.

Mecklenburg, with her system of macadam roads, is an enduring example of what good roads will accomplish. Transportation facilities for the country are just as important for the country as they are aboslutely vital to our cities and commercial centres, and Charlotte, with her magnificent highways threading their way to all quarters of the county, is an enviable example of what improved highways will do for commercial centres and agricultural regions.

We do not think any argument should be needed to impress upon the counties of North Carolina the supreme value of good roads, but if any North Carolinian needs a convincing presentation of the question in all its bearings to municipal and urban development he will find in Mr. Tompkins' articles a logical and powerful exploitation of a subject that is barely less important than the matter of railroads as a means of developing the resources of a State or county.

SPECIAL CORN EXHIBIT.

The Star has several times mentioned the importance of the meeting of the National Farmers' Congress at Raleigh, November 3rd to 8th. It will follow soon after our State fair at the capital and it will be an occasion when it would pay North Carolina to put her best foot forward. Several hundred delegates from numerous Northern, Western and Southern States will attend and we hope they will go away deeply impressed with what they see of North Carolina. They will be where they can see our State Museum, and no doubt most of the exhibits that will be left over from the State fair.

On the occasion of the meeting of the National Farmers' Congress, we are glad to note that the State Agricultural Department will prepare a special exhibit of North Carolina grains, fruit and truck to be exhibited in the State Museum. A premium list has been prepared which will make it worth while for our farmers to exhibit their products. A notice sent out from Raleigh says:

"For corn the State has been divided into three divisions, a first and a second premium to be given to the best exhibits in each of the three divisions. The premiums offered on other exhibits than corn will apply to the State at large.

"The divisions for corn are as follows: Eastern Division, to consist of Scotland, Cumberland, Harnett, Johnston, Nash, Halifax, Northampton, and all counties east of those. Central Division: Cleveland, Catawba, Alexander, Iredell, Yadkin, Stokes, and all counties east of those to the line of the eastern division. Western Division: All counties in the State west of the central district.

"Premiums amounting to over $500 will be given. This exposition will show the visitors the products of the State in these lines. Premium lists will be published in the newspapers in a few days. The department invites the co-operation of the Fair Association of the State in this work."

"The thin gray line" is growing thinner every day. The grave opens almost daily for a soldier who followed Gen. Lee.

It is stated that President Taft is a teetotler, but then there are others in the Taft party, perhaps, who would like to be called out on the side.

A German writer disputes the historic claim that Hudson discovered the Hudson river. That the river was discovered by somebody and is still there is the main fact in the case.

"What shall we do when all the coal gives out?" is an inquiry made by the Atlanta Journal. Well, we may keep things warm by indulging in heated arguments over new discoveries.

"If women get to voting will they vote for their own sex in preference to the men candidates?" inquires an exchange. The men might spring a gum drop campaign on their opponents.

Mrs. Perry Belmont, the New York society leader, who has espoused the cuffragette cause, predicts that in twenty years this country will have a woman for President. Well, we'll have twenty more years of liberty, anyhow.

CURRENT COMMENT.

—A person will not deny himself the pleasure and excitement of seeing a real live president, just because that president thinks the present tariff laws the best we ever had; so Mr. Taft's progress through the country will be as much an ovation as if he had kept his pledges to the people.—Atlanta Journal.

—Those Republicans who have been urging the election of a Republican congressman from this district on the ground that a Democrat cannot get anything from a Republican president and a Republican congress should now come to the front and tell just how much influence Mr. Morehead has with the powers that be. It seems he cannot recommend anyone for an office in his own district with the slightest assurance that his recommendation will be followed.—Winston-Salem Sentinel.

—Salisbury is erecting a steel-frame office building of eight stories and Charlotte already has one of twelve. These, hardly 35 miles distant in an air line, will be almost if nit quite visible from each other through glasses, the Salisbury structure compensating its four stories less with a surface elevation about forty feet greater. Intercommunication by searchlight, flashlight, heliograph, etc., let alone wireless, should be easy. Concord, well east of the air line between, can grow skyward all it pleases without causing interference.—Charlotte Observer.

—Marylanders are getting back at President Taft in great shape. He wrote a letter the other day rebuking the Democrats for their suffrage proposition as aimed solely to deprive the negro of his vote. The Republicans in Maryland had been charging the Democrats with imposing qualifications which disfranchised white foreign-born voters as well as negroes. The Democrats retort by publishing Taft's scheme for the Filipinos, in which he requirers three qualifications before the little brown men of our Oriential possessions can vote—a previous condition contingency, educational equipment and property ownership.—Nashville American.

—Russia, hardly scarred by its reverses in foreign war, and relieved from the paralyzing effect of dissension and revolution within, is entering now on a period of development and commercial prosperity the possibilities of which have not been overlooked by the manufacturing and trading communities of any nation except the United States. Already the Anglo-Russion, Franco-Russian and Russian-Belgian chambers of commerce are in successful operation, and the Dutch and the Swedes are forming similar associations. The almost monopolistic hold that Germany has had on this great market seems about to be broken, and only Americans are making no concerted effort to obtain a share of the profitable trade that is to be created or that may be diverted from its former channels.—New York Sun.

TWINKLINGS.

—She—Confess, now, that you would like to see women voters at the polls. He—I should, indeed! Either of 'em, North or South.—Illustrated Bits.

—"Seen the fall styles yet?" "Not in detail," answered the big importer, "but I understand the press humorists won't have any cause for complaint."—Louisville Courier-Journal.

—Blobbs—A woman is always illogical. Slobbs—Of course she is; a woman will always expect you to remember her birthday, but never her age.—Philadelphia Record.

—"Do you know anything about the state of matrimony?" asked the youth. "Well, I guess yes," answered the man with the absent hair. "I lived in Utah 17 years."—Chicago News.

—Foreign Visitor—Does it cost much to live in New York? Host—No sir; it doesn't cost much to live in this city; but it costs like Sam Hill to keep up appearances.—New York Weekly.

—Elise—Why is Clara always so short of money? Didn't her father leave her a lot? Madge—Yes, but you see, she's not to get it till she's thirty, and she'll never own up to that.—Boston Transcript.

S.S.S. PURIFIES BAD BLOOD

Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the flesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S. S. S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S. S. S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and permanently cures Eczema, Acne, Tetter, Salt Rheum, Boils, and all other skin eruption or disease. Book on the blood and any medical advice free.

The Theatre

In spite of the ugly weather, the Crystal Palace did a rushing business yesterday. In fact, the opening performance of the new bill was presented to almost a "standing room only audience" and the attendance upon the other performances was large. The new offering is a fine one and caught the admiration of those present at once, which was made manifest by vigorous applause on the inside of the attractive little theatre and by pleased expressions on the outside. With the new bill the Palace maintains its boast of everything up-to-date and dainty for this season. There are four good acts on the new bill and each is refined and clever. The star work is done by the musical team of Shwab and Snell, who present a decidedly refined and high class act. It is an act out of the ordinary and one big feature is the rendition of "Oh, You Kid," on the musical rattles,

GLANCHE DUPREE.
Renowned Coon Shouter and Character Singer at Crystal Palace.

something new to this city and which in space takes up nearly all the stage of the Palace. Another exceptionally clever act is given by Blanche Dupree, who combines a big novelty for a comedienne, in the shape of "coon shouting" with clever ballad singing. Another clever turn is furnished by Miss Myrtle Bartels, while the well known blackface comedian, Ben Daniels contributes largely to the fun and success of the bill.

At the Bijou Today.

"My Wife's Gone to the Country," is the title of the feature picture at the Bijou today. Much to the joy of her husband, Mrs. Jones announces her intention of going to the seaside for a month. After boarding the train Mrs. Jones discovers the loss of her purse containing her railroad ticket and money and is put off the train. A long tramp from the city limits into town and she arrives home. Her husband has been having a glorious time with a couple of old cronies and at the time of the arrival of his wife is preparing lobster salad. Of course there is trouble and plenty of it.

THE HOTEL TOURISTS.

Cotton and Tobacco Crops—Large Yield of Peanuts.

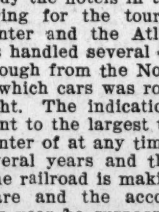
(Special Star Correspondence.)

Rocky Mount, N. C., Sept. 27.—Already the hotels in the South are preparing for the tourist trade of the Winter and the Atlantic Coast Line has handled several cars of hotel help through from the Northern cities, one of which cars was routed through last night. The indications in every way point to the largest tourist travel this Winter of at any time within the past several years and the Atlantic Coast Line railroad is making its bid for her share and the accommodations will this year be surpassed by any of the previous season. The Winter vestibule train will be put on as soon as the travel reaches the proportion that it will demand the same.

Reports from all parts of the two counties is to the effect that cotton has opened more during the week that has just passed than at any time during the life of this crop. The receipts on the local tobacco market have fallen off this week on account of the fact that the farmers have been busy at home picking the fleecy product and with the jump taken in the market recently it is expected that the farmers will remain at the task and that the sales of cotton will be the next farm product that will reach any considerable proportion.

Though the indications throughout the counties are that the peanut crop will be short this year as compared to last, it is nevertheless a fact that Mr. G. N. Melton, a prominent Nash county planter, of the Whitakers section, has gathered 98 bushels of the peas from a one-acre tract of land on his farm. Reports generally from the peanut crop are to the effect that it is from one-third to one-half short as compared to last season.

Poor, Foolish Woman!



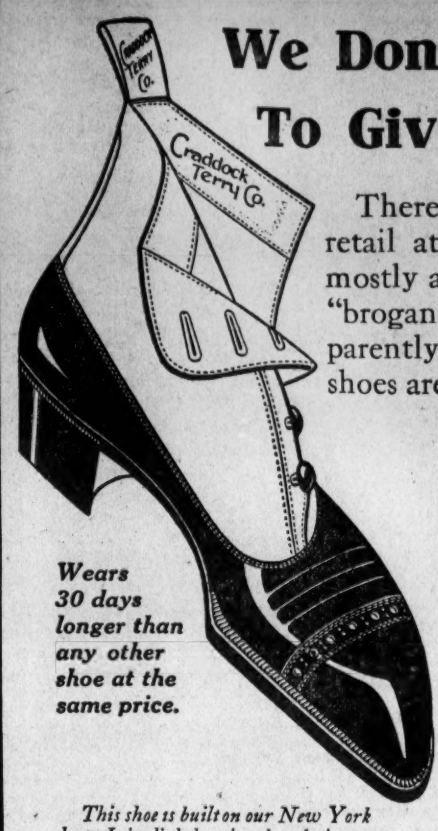
Think of her attempting to make ice cream in the old disappointing way! With

JELL-O ICE CREAM Powder

she can make the most delicious ice cream in ten minutes, freezing and all, at a cost of about one cent a dish —*and never go near the stove.*

Your grocer will tell you all about it, or you can get a book from the Genesee Pure Food Co., Le Roy, N. Y., if you will write them.

Grocers sell Jell-O Ice Cream Powder, two packages for 25 cents.



Wears 30 days longer than any other shoe at the same price.

This shoe is built on our New York last. It is slightly pointed and gives a narrow effect to the foot. Also made in Blucher lace.

Our "Terry Special" grade to retail at $5.00 equals the best custom, bench-made shoe.

We Don't Slight Style To Give You Wear

There are many ultra stylish shoes that retail at $3.50 and $4.00. Such shoes are mostly a matter of looks. There are some "brogans" at the same figure that apparently would never wear out. Such shoes are scarcely genteel.

The CRADDOCK SHOE

$3.50 All Leathers $4.00

will outwear any other shoe that sells at the same price—there is at least 30 days more service per pair. As for style, the shoes speak for themselves. Proved leathers shaped over lasts of fine lines, patterns cut after the latest models. The Craddock dealer in your town will be glad to show you the newest styles of Craddock Long Wear Shoes.

State of North Carolina, Department of State. Certificate of Dissolution.—To all to whom these Presents may come—Greeting: Whereas, It appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof, by the unanimous consent of all the stockholders, deposited in my office, that Hunters Club, Inc., a corporation of this State, whose principal office is situated in the city of Wilmington, county of New Hanover, State of North Carolina, J. E. Taylor being the agent therein and in charge thereof, upon whom process may be served), has complied with the requirements of chapter 21, Revisal of 1905, entitled "Corporations," preliminary to the issuing of this Certificate of Dissolution. Now, Therefore, I, J. Bryan Grimes, Secretary of State of the State of North Carolina, do hereby certify that the said corporation did, on the 16th day of September, 1909, file in my office a duly executed and attested consent in writing to the dissolution of said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings aforesaid are now on file in my said office, as provided by law. In Testimony Whereof, I have hereunto set my hand and affixed my official seal at Raleigh, this 16th day of September, A. D. 1909.

(Seal.) J. BRYAN GRIMES,
Secretary of State.

PERSONAL PARAGRAPHS.

—Editor W. B. Harker, of the Scottish Chief, of Maxton, spent yesterday in the city.

—E. M. Koonce, Esq., of Onslow county, is spending a few days here attending Superior Court.

—Mrs. Henry Kidd will leave this morning for Edenton, where she will visit her friend, Mrs. Bernhart, for a few days.

—Among yesterday's arrivals at The Orton were J. H. Land, Chadbourn; W. C. Lewis, Byrdsville, and W. J. Mathews, Goldsboro.

—Messrs. J. H. Johnson, of Charlotte; William Moncure, of Raleigh, and N. J. Mathews, of Goldsboro, were guests at The Orton yesterday.

—Gen. R. M. Nelson, of Lillington, N. C., an ex-president of the American Bankers' Association and well known in banking circles of the State spent yesterday in the city on a business trip.

—Mrs. A. J. Gray, Jr., and Master John Springer Gray, who have been spending some time quite pleasantly with Mrs. Gray's parents, Mr. and Mrs. J. C. Springer, at The Orton, have returned to their home at Richmond, Va.

—Mr. R. L. Bouis, who is pleasantly remembered in Wilmington as having formerly traveled this territory for the American Type Founders Company, now with R. Hoe & Co., of New York, the pioneer press builders, is in the city on a business trip of a few days.

—Mrs. W. N. Harriss and son, Master G. Latham Harriss, returned yesterday morning from Loudoun county, Virginia, where they spent the Summer. They spent a few weeks in Washington, D. C., on their return home.

—Mr. John Z. Tull, of the Durham & Charlotte Railroad, with headquarters at Elise, N. C., and Messrs. W. A. Sinclair, of Fayetteville, and John H. Kenedy, of Gulf, spent Sunday and part of yesterday in the city, leaving yesterday afternoon.

—The many friends in the city of Mr. E. L. Smith will be pleased to learn that he has returned from Asheville, where he has been spending several weeks for his health and that he is greatly improved. He will resume his duties as hall officer at police headquarters today.

—Messrs. J. T. Bland, of Burgaw; L. H. Harris, of Marines; C. D. Koonce, of Chadbourn; S. H. Hamilton, of Lumberton; U. M. Chesnutt, of Garland; H. D. Farrior, of Warsaw; J. A. Robertson, of Hamlet; and Gen. R. H. Nelson, of Lillington, N C., were among the guests at the Colonial Inn yesterday.

—Sunday's Greensboro Telegram: "Mr. James S. Hooper, of Wilmington, deputy supreme regent of the Royal Arcanum, goes to High Point this morning after having been here for some time in the interest of that order. While here he secured a number of applications for membership in the Royal Arcanum."

SPECIAL MATINEE ARRANGED.

"A Gentleman from Mississippi" Will be Given Twice Saturday.

In view of the combination of a big show and the formal opening of the New Academy of Music, in all its regal splendor, it has been decided to give a special matinee of "A Gentleman From Mississippi" Saturday, and this announcement will, no doubt, be received with delight by theatregoers. The matinee will prove a superb feature for the ladies and youngsters and it will also give many an opportunity of seeing the biggest New York hit in years, because Saturday night is an inopportune time for some. Then again indications point to a tremendous rush for seats for Saturday night's performance.

FIRST RULE IN COOKING delicacies is to discriminate in favor of the famous SAUER'S FLAVORING EXTRACTS

LOCAL DOTS.

—The entertainment committee which is to make arrangements for the lawn fete at the W. L. I. armory Friday evening for the benefit of the football association is requested to meet at the armory this evening at 8:30 o'clock.

—A valuable horse owned by the City Livery Company dropped dead Sunday morning on Market street, between Second and Third. The horse was suddenly taken sick while attached to a baggage wagon and fell to the pavement.

—An important meeting of the recently organized Carolina Musical Society will be held in the Court House at 8 o'clock tonight. A number of matters of importance are to be considered and a large attendance of members and others interested is urged.

—Jason K. Pot, colored, arrested Saturday afternoon by Deputy Sheriff W. H. Howe, was tried before Justice McD. Evans yesterday morning on the charge of trespass and a peace warrant, being taxed with the costs in each case. He will probably have to serve time on the roads. A case against him for larceny of a pair of trousers will be tried today.

SURPRISE MARRIAGE HERE.

Miss Annie C. Glenn and Mr. E. T. Robeson—Greensboro Couple.

A surprise marriage solemnized at the residence of Mrs. L. M. Davis, No. 612 Chesnut street, of Miss Anne C. Glenn, daughter of the late General James D. Glenn, formerly commander of the North Carolina State Guard and niece of ex-Governor R. B. Glenn, to Mr. E. T. Robeson, a popular Greensboro business man, yesterday afternoon at 1 o'clock, will be learned of with great interest and pleasure by hundreds of their friends throughout the State.

Those who witnessed the ceremony were Messrs. E. P. Bailey and Guy Davis, friends of the groom, and a few acquaintances of Miss Glenn. Both Miss Glenn and Mr. Robeson reside in Greensboro, and the bride has been spending a few days in Wilmington on a visit to Mrs. Thomas Hubbard, at the home of Mrs. Davis. The ceremony was performed by Rev. W. E. Cox, rector of St. John's Episcopal church.

The young couple had decided upon marrying in Wilmington and Mr. Robeson joined the bride here Sunday afternoon.

Following the ceremony the young people were extended the best wishes by the few friends present and departed on the 3:25 o'clock Seaboard train for Asheville, where they will spend some time before returning to their home in Greensboro.

Miss Glenn is prominent in social circles and when her parents resided in Raleigh for a number of years, she was one of the most admired in the social life of the Capital City. She is an accomplished and attractive young lady.

The groom, Mr. Robeson, is one of Greensboro's most successful and prominent young business men.

The wedding announcement will be of much interest in social circles of the State.

HEAVY WEATHER AT SEA.

Northeast Gale Off Carolina Coast. Two Ships in for Harbor.

A strong northeast gale with a heavy sea off the North Carolina coast caused one tseamer and a schooner to come over the bar at the mouth of the Cape Fear river for harbor yesterday and it is reported that a number of vessels are anchored under the lee at Cape Lookout.

The sea has been running high for several days and the weather off the coast now is what is usually expected during equinoctial season. The vessels are the schooner Geo. F. Phillips, Capt. Gaskins, bound from Little River, S. C., to New York, and the American steamer Katahdin, bound from Philadelphia to Georgetown, S. C., lumber laden.

The effects of the rough weather at sea combined with the northeast gale, caused much cooler weather along the coast and light showers throughout yesterday.

13 CENTS COTTON

Quoted at High Price on the Local Market Yesterday.

Cotton was quoted on the local market yesterday at 13 cents for middling, reaching the highest point for several seasons. The price at this time last year ranged between 9 and 9 5-8 cents. Saturday's and Sunday's receipts were 6,771 bales.

With the arrival yesterday of the British steamers Brooklyn, Captain Baty, from Philadelphia, and Hillmere, Captain Griffiths, from Rio Janerio, there are four cotton steamers in port for the staple. The Hillsmere has made several trips to this port and the master, Captain Griffiths, has a number of acquaintances here.

The steamer Vauxhall Bridge will clear this week, and probably the steamer Gymeric. The schooner Edith H. Symington, Captain Stilles, arrived yesterday from New York with cargo of salt for interior shipments.

TAFT CENTRAL COMMITTEE.

Meeting Yesterday Afternoon—Committees Will Get to Work.

Another well attended and enthusiastic meeting was held yesterday afternoon at 4 o'clock in the directors' room of the Murchison National Bank. The reports submitted a few days ago by the chairmen of the various subcommittees were considered in detail and approved with possibly a few minor exceptions. The committees will be notified of the action of the Central committee today and the work of arranging for the coming of the president and the thousands of visitors expected on that day will be at once gotten under way.

Bazaar and Dance.

There will be a bazaar and dance at Long Creek, in Penny's Hall, on the evening of the 7th of October, beginning at 6 o'clock. Refreshments will be served in the hall. Proceeds will be for the benefit of St. Augustin Church, at Montague. The public is cordially invited to attend.

SUPERIOR COURT CONVENES

Few Cases Disposed of on Opening Day—Trial of Joe Stephens May Be Commenced Thursday. Continuances.

A double term of three weeks of New Hanover County Superior court convened at 10 o'clock yesterday morning, Judge Oliver H. Allen, of Kinston, presiding. The first week is for the trial of cases on the criminal docket and the remaining two weeks will be devoted to the civil docket.

Judge Allen is just recovering from an illness of typhoid fever and there was doubt that he would be able to hold court this week. His many friends here were glad to see him out again and hope for a complete and speedy restoration to his usual health.

The grand jury was selected in short order and sworn and empannelled as follows: R. P. McClammy, foreman; W. R. Hartsfield, Joe L. Alfrink, B. T. Hopkins, J. H. James, J. S. Jordan, T N. Briston, J. G. Carney, M. Rosenman, C. O. McNair, J. S. Williams, W. H. Biddle, L. Hanson, E. D. Williams, M. A. Curtis, Jr., Wm. Gilchrist, H. J. McMillan, James M. Stevenson.

The charge to the grand jury was short, Judge Allen making no lengthy comments, merely outlining briefly the duty of the jurors, calling attention to three or four fruitful sources of crime. First, he referred to neglected and defective children and declared that unless they were properly cared for they would invariably grow up to be criminals. He urged the jurors to report to the court any such children of which they had any knowledge. In speaking of the "blind tiger" evil he told the jurors that if they knew of any place in Wilmington where the stuff was being sold it was their sworn duty to report it to the grand jury as a body. He also spoke of the unsanitary condition of things as being a fruitful source of crime and said that it was the duty of the jurors to make inspection of the schools and of the county institutions. After stating briefly the criminal law as the jurors will have to deal with it the judge concluded his charge and the jury retired and began its work.

The case against S. E. Jones, charged with seduction under promise of marriage, Miss Nola Hewett, being the prosecutor, which has been on the docket for some time, was continued until the next term of court on account of the illness of Marsden Bellamy, Sr., Esq., of counsel for the defendant. The other attorneys for the defendant are Herbert McClammy, Geo. L. Peschau, Woodus Kellum, Wm. J. Bellamy and E. M. Koonce, Esqs, while Hon. John D. Bellamy and Walter P. Gafford will assist the solicitor in the prosecution. The case against B. Coxe, charged with house burning, was also continued until the next term. The following cases were nol prosed with leave at the morning session: George Johnson, colored, resisting an officer; Fannie Carroll, nuisance and injury to property.

Murder Case Thursday.

It is probable that the trial of the case against Joe Stephens, a young white man, charged with the murder of E. R. Shields, on the 9th of July last will be commenced Thursday morning. The attorneys for the State held a conference with the witnesses yesterday afternoon and it is expected that it will be announced definitely this morning whether the case will be tried at this term of court. In the event it is decided to try at this term a special venire will be ordered this morning. Herbert McClammy, Esq., and Hon. John D. Bellamy, counsel for the defendant, will go to Southport today to attend Brunswick court, but will return before Thursday morning.

The first case tried was one against Nat Fales, a white man, charged with the larceny of two stoves from Mr. John J. Farrow, who testified that last Christmas he lost two stoves, one a cook stove and the other a heater. He said that they were taken from his fishing camp. He later saw them at a junk shop, but he could not explain any particular marks of identification. The taking of the testimony for the State was completed before the noon recess. The defense did not offer any testimony. When court reconvened yesterday afternoon the solicitor announced that he would not ask for a verdict of guilty. The defendant was then discharged and the entry of "not guilty" made upon the docket.

A case against Prince Toler, charged with retailing whiskey in violation of the State prohibition law, was nol prosed with leave, it appearing that the material witnesses had left for parts unknown.

The cases against Tom Bowden, Joe Williams and Lawrence Swinson, colored boys, charged with the larceny of some $24 in money and a number of small household articles from Eva Davis, a woman of questionable character, were consolidated and the trial entered into shortly after the convening of the afternoon session. The hearing of the case consumed all of the session. The defendant Bowden was represented by Geo. L. Peschau, Esq. The case went to the jury at 5:45 o'clock and 15 minutes later a verdict of guilty as to all three of the defendants was returned. The jury recommended to the mercy of the court Tom Bowden and Joe Williams on account of their ages, being younger than the other defendant. The trio was remanded to jail and sentence will be passed this morning. Court will convene at 10 o'clock this morning.

Judge C. C. Lyon, of Elizabethtown, who is on his way from his home to Southport to hold Brunswick Superior court, was in the court room for awhile yesterday afternoon and was warmly welcomed by members of the bar, Judge Allen and other friends.

KIRSCHBAUM'S
HAND-MADE CLOTHING
Initial Showing of This Popular Brand at Rehder's

The new Fall line of Kirschbaum's Hand-Made Clothing for men, made famous throughout the country for its style, workmanship, quality and value, will have its initial display at Rehder's.

KIRSCHBAUM'S high-grade hand made clothes has been on the market for several years and has built a wide world reputation of being the best clothes that the money can produce. :: :: ::

You Need No Order-Made Suit

There's a popular idea that because a man has a small tailor shop of his own he can make better clothes that fit and wear better and are more stylish than those you can buy ready-to-wear.

The truth of the matter is that the very fact that his shop is so "exclusive" makes him unable to do this.

The Kirschbaum brand of clothes have a large tailoring plant and employ the best tailors that money can hire and the suits turned out by them, although sold for much less than the order-made kind, fits better, is made better, gives better service, and is a better piece of material in every case.

Wear Kirschbaum's Clothes

For certainty of being dressed in correct style; for the assurance of all wool fabrics; for shape keeping; hand made and high grade tailoring, and real economy wear Kirschbaum's Hand Made Clothing, exclusively sold in Wilmington by

TWELVE MONTHS ON ROADS.

C. Wilson, Colored, Convicted of the Charge of Larceny.

The Recorder's court yesterday was held in Recorder Jno. J. Furlong's office on Princess street, Superior Court being in session at the Court House and improvements being made on the interior of the City Hall.

There were some 10 or 12 cases for trial, but only a few of these were of any interest. C. Wilson and P. Murphy, colored, arrested Saturday about noon on the charge of stealing a watch, stick pin and pocketbook from Mrs. F. R. Strange at her residence on Ann street last Friday, were arraigned for trial. As stated in Sunday's paper the pin and pocketbook were recovered Saturday afternoon, being found at the home of Wilson. Yesterday morning Wilson said he knew where the watch was and accompanied Officer Applebury to the place where it had been hidden on the wharf, near the Prince planing mill. Wilson said that it was put there by another negro. There was no evidence that Murphy had any knowledge of the theft and the case against him was dismissed. Wilson was found guilty and sentenced to 12 months on the county roads.

Rosa Jenkins, colored, was found guilty of forcible trespass and was given a term of six months on the county farm. Chas. Reid, colored, was again up on the charge of drunkenness and disorderly conduct, and was required to pay a fine of $20 and the costs.

AT FIRST BAPTIST CHURCH.

Dr. W. L. Poteat Delivered Two Fine Sermons Sunday.

Dr. W. L. Poteat, president of Wake Forest College, occupied the pulpit at the First Baptist Church Sunday morning and evening, delivering two powerful discourses which were heard by large congregations. Dr. Poteat is a deep thinker and as orator he has few superiors in North Carolina. He made a most favorable impression upon his hearers who followed his remarks very closely. While in the city Dr. Poteat was a guest of Dr. A. M. Baldwin. He left yesterday morning for his home.

Rev. Dr. J. H. Foster, the newly elected pastor of the church, is expected to arrive here at noon today with his family from Anniston, Ala., where he has been pastor of one of the leading Baptist churches of that city for the past 15 years. Dr. Foster will begin his labors in his new field Sunday. He and his family will receive a most hearty welcome to Wilmington by the people of all denominations.

SYRIAN ASSAULTED NEGRO.

Darky Didn't Like Meal and Refused to Pay For It.

Mitchel Charvalias, a Greek restaurant keeper at 121 South Water street, in the rear of the Front street market, was arrested yesterday afternoon by Constable W. B. Savage on a warrant from the Recorder charging him with assault with a deadly weapon upon William Cromidy, colored, who, it is alleged, ordered a meal at the restaurant but as it did not please him refused to accept it. This angered the Greek who, it is alleged, picked up a heavy cup and a vinegar jar and struck the negro several terrific blows on the side of the head, making ugly wounds. When he was carried before the Recorder the negro was in the office. Charvalias asked for a warrant for Cromidy charging assault. While the warrant was being issued Cromidy disappeared and had not been located last night. Charvalias gave a $25 cash bond for appearance before the Recorder today.

Go With a Rush.
The demand for that wonderful Stomach, Liver and Kidney cure, Dr. King's New Life Pills—is astounding. R. R. Bellamy says he never saw the like. It's because they never fail to cure sour stomach, constipation, indigestion, biliousness, jaundice, sick headache, chills and malaria. Only 25c.

DAVID'S

THREE hundred years ago, Henry Hudson, an adventurous Dutch sailor, in a little ship called the "Half Moon," sailed up what is now the harbor of New York, and up the great river which now bears his name.

Two hundred years later, a hundred years ago, Robert Fulton, amid the jeers and ridicule of his fellow townsmen, who said he was a crank, and couldn't possibly do it, made a voyage up the same historic river, from New York to Albany, in the "Clermont," the first vessel ever propelled by steam.

And now the country is celebrating these two historic events in a great pageant; the two clumsy little vessels, reproduced in exact size and appearance, are to be saluted by a great fleet of warships, assembled from all the big navies of the world; and civic and military parades and commemorative exercises are to be held in honor of these two historic events in the progress of civilization.

You'll read about it in all the newspapers. Meanwhile, we've discovered something, too. We've found that

Hart Schaffner & Marx Clothes

are the best clothes made; that we can serve our fellowmen to best advantage by supplying these clothes. It's a discovery which a lot of others have also made; more men who dress well wear these clothes today than any other make; and the number is steadily increasing.

You can join in this sort of a celebration; you can wear these clothes now; you don't have to engage in any voyages of discovery, nor endure the ridicule of your friends; you can be as well dressed as any man in America, at small expense of time and money, by coming to this store and getting into Hart Schaffner & Marx clothes.

All their fabrics are all-wool. Grays and blues are the leading colors for suits; the variety of patterns is almost endless. We have overcoats also in many new fabrics and models; and want you to see them. Suits $22.50 to 27.50. Overcoats $16.50 to $30.00.

THOUGHT TO BE MURDERER

Negro Supposed to be Tony Moses, Wanted For Murder of Sumter Policeman, Arrested Here. Big Reward Offered.

Suspected of being the negro who shot and killed Policeman W. A. Clyde, of the Sumter, S. C., police force in that city January 20th, 1908, Tony Moses, alias Will Gore, colored, about 30 years of age, was arrested near the Seaboard Air Line depot at 2:30 o'clock yesterday afternoon by Constable N. B. Chadwick, of Cape Fear township, who had been working on the case for several months. The negro was lodged in jail and Chief of Police Bradford, of Sumter, notified. He will send an officer here today to identiy the prisoner.

There is a reward of $250 offered for the capture of the murderer of the policeman, $100 by the State of South Carolina; $100 by Sumter county and $50 by the town of Sumter. The officer making the arrest will claim the reward.

Constable Chadwick had working for him on his farm in the county Isaac Anthony, colored, who knew Moses at Sumter. Anthony played the role of detective and secured the confidence of Moses, and, it is said, secured a confession from him that he killed the Sumter officer. The information was communicated to Constable Chadwick and Saturday the officer wired the Sumter authorities if Moses was still wanted for the murder of the officer and if the $250 reward was still held out to one who captured him. He received a reply in the affirmative to both questions. He then secured a warrant from Justice Sykes under the fugitive act, Section 3184 of the 1905 Revisal. The officer searched for the negro Saturday and Saturday night, but was unable to locate him until yesterday afternoon.

Anthony is positive that the right negro has been captured. It is stated also that the negro answers the description of the negro wanted in Sumter, the most notable among the many marks of identification being a scar on one of his knees being made by a bullet from a pistol.

The suspected negro says that he is a son of Ausbury Gore, of Columbus county, and is not the person the Sumter authorities want.

OUTLINED THE FALL WORK.

Religious Committee Met at Y. M. C. A, Last Night—Officers Elected.

At an enthusiastic and interesting meeting of the Religious Committee of the Y. M. C. A. at the Association building last night plans for the various religious meetings in the city under the auspices of the Association were outlined and the work this Fall and Winter will be most interesting. Beginning next Sunday afternoon with the men's meeting the general work will be taken up by the various organizations. There were some 30 present last night and much interest was manifested in the many religious features arranged.

There was also a meeting of the First Aid to the Injured class of last year, and officers were chosen for the ensuing year as follows: W. W. Miller, president; R. F. Coleman, vice president; Owen Filyaw, secretary; H. G. Bowden, recording secretary. The organization will promote First Aid to the Injured work in the Association and will meet every first and third Sunday in the month.

MR. WILLIAM R. STEWART.

Goes in Real Estate Business With J. G. Wright & Son.

Mr. William R. Stewart, who for the past several years has been with the Waccamaw Lumber Company, has recently embarked in the real estate business, having connected himself with the real estate firm of J. G. Wright & Son.

Mr. Stewart is a native of Wilmington, being a son of Mr. C. W. Stewart, and his return to the city will be gladly known by his hosts of friends.

Messrs. J. G. Wright & Son are to be congratulated in securing his services, to add to their already large office force. It is a pleasure to the Star to see the steady and continued growth of the live and progressive real estate firm, which unquestionably has the largest business of this character in North Carolina. Their recent development and sale of Taft Hill, shows that these gentlemen know their business, and the fairness and square dealing which always characterize their actions are one of the prime elements of their success.

Real Estate Transfers.

Deeds were filed for record yesterday as follows: D. L. Gore and wife to Mrs. Mary Hardin Moore, for $500 and other considerations, 126 1-2 acres of land in Harnett township, being a part of the old Roger Moore Brickyard property conveyed to Mr. Gore from Mrs. Susan E. Moore under deed of September 23rd; The People's Savings Bank to Mary M. Evans, for $100 and other considerations, lot on northwest corner of Ninth and Kidder streets, 66x150 feet in size; The American Suburban Corporation to Betty Y. Hogue, for $700, three lots at "Carolina Place," being on the south side of Mett's avenue, 264 feet west of 21st street.

A Hurry Up Call.

Quick! Mr. Druggist—Quick!—A box of Bucklen's Arnica Salve—Here's a quarter—For the love of Moses, hurry! Baby's burned himself terribly—Johnnie cut his foot with the axe—Mamie's scalded—Pa can't walk from piles—Billie has boils—and my corns ache. She got it and soon cured all the family. It's the greatest healer on earth. Sold by R. R. Bellamy.

Malaria Makes Pale Blood.

The Old Standard GROVE'S TASTELESS CHILL TONIC, drives out malaria and builds up the system. For grown people and children, 50c.

COL. JONES TO SOUTHPORT

Will Speak at Brunswick Capital Today in Interest of South Atlantic Trans-Continental Railroad. Senator Lockhart Speaks.

Colonel S. A. Jones, of Waynesville, N. C., president of the South Atlantic Trans-Continental Railroad Company, and Senator J. A. Lockhart, of Anson, were in the city yesterday on their way to Southport, where they will speak tonight in the interest of the proposition to build a trans-continental railroad, of which much has been spoken and written during the past few months.

Colonel Jones and Senator Lockhart arrived in the city Sunday night and expected to leave here on the steamer Wilmington yesterday morning, but were misinformed as to the time the boat leaves here. These gentlemen and Judge C. C. Lyon, of Elizabethtown, and several members of the local bar expected to go to Southport yesterday afternoon on the government boat "Madeline," but when they attempted to board her they were informed by one of the officers that the government had recently issued orders that no more passengers be carried. Colonel Jones and Senator Lockhart secured a launch and went on to Southport, but the others decided to wait for the steamer Wilmington this morning.

Colonel Jones was extended an invitation last week by the Southport Chamber of Commerce to deliver an address today to the people of Brunswick county anl it is expected that he will be greeted by a large audience. State Senator Lockhart, who is heartily in favor of the scheme, will also probably have something of interest to say to the voters of the county.

The proposed line will run through Brunswick, Columbus, Robeson, Scotland, Richmond, Anson, Union, Mecklenburg, Gaston and Cleveland counties of North Carolina, and it is desired that bond elections in support of the project shall be held in October or November in all these counties. Colonel Jones will address the Brunswick voters today in the interest of calling and carrying an election for the road. It is pointed out that at the expiration of 30 years the counties will own $3,000 worth of stock for every mile within their borders, secured at less than no cost. Each county will be asked to vote $3,000 for each mile, to be paid in 30 year bonds at 4 per cent., which means an annual outlay of $104, a mile. The tax, on an assessed valuation of $20,000 a mile, would amount to $220 a mile a year. This would leave $116 actual net increase in the county's revenue above the annual sinking fund and interest. Col. Jones says that when the railroad bond debt is paid off and the county bonds paid the county will get clear the $220 a mile in taxes, and he thinks the road then should earn a 5 per cent. dividend on the stock, equal to another $150 per mile per annum, making a total income to the county of $360 a year. The mountain counties through which the road is to be run have voted almost unanimously the $3,000 a mile for the line. An amount not exceeding $50,000 a mile may be issued in first mortgage bonds. The State is to furnish convict labor and receive in return stock to the value of the service rendered and is to have supervisory power. The rate on which the estimate is to be based is $1.50 a day of eight hours' from November to May and $1.75 for 10 hours' work from May to November. Three members of the board of directors are to represent the State, namely, the Governor, one he shall appoint who shall be a member elected by the people of the State administration and the chairman of the Corporation Commission and their respective successors. This is a safeguard against the increase of capital stock to over $50,000 a mile and to prevent the increase of bonds or any other liabilities to over $50,000 per mile on any of its properties. The county commissioners through which the road will run shall order an election on the petition of 50 citizens.

It is the purpose of the promotors of the enterprise to secure a great South Atlantic United States naval coaling station for this State at Southport and bring cheaper coal, lumber, meat, breadstuffs, grain and hay from the mines and fields of the West than can be secured by any other means. This State has already given its approval to the gigantic undertaking and Colonel Jones has been appointed by Governor Kitchin a commissioner to urge the support of the Legislatures of other States. It is expected that the other States through which the road as proposed would run will give their hearty support to the proposition. McArthur Bros., engineers, of New York, are now making a survey in the mountain country to be traversed by the road.

Colonel Jones and Senator Lockhart will doubtless arouse a greater interest among the people of Brunswick county today, when the entire proposition is laid bare before them.

Night on Bald Mountain.

On a lonely night Alex. Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his sons' wife of a severe lung trouble. Millions believe it's the greatest Throat and Lung cure on earth. Coughs, colds, croup, hemorrhages and sore lungs are surely cured by it. Best for hay fever, grip and whooping cough. 50c and $1.00. Trial bottle free. Guaranteed by R. R. Bellamy.

Lincoln Pennies.

If any of our friends failed to receive from us through the mails one of the New Lincoln Pennies, bearing the initials of the designer "V. D. B." we will be glad if they will call at the bank and let us present them with one. The People's Savings Bank. se 26 1t.

DEATH OF MR. E. S. LATHROP

Died Suddenly in Charlotte Sunday Night While on Way From Church Services—Remains Were Brought Here.

Hundreds of friends in this city and throughout this section of the State learned with infinite regret yesterday morning of the sudden death in Charlotte Sunday night of Mr. Edward S. Lathrop, who for some time past has been bookkeeper for the Morrow Grocery Company in that city. The remains were brought to this city yesterday afternoon and carried to the family residence, 213 North Fifth street, from whence the funeral services will be held at 4 o'clock this afternoon, conducted by Rev. J. A. Smith and Rev. Dr. J. H. Foster, the new pastor of the First Baptist Church.

While on his way from the First Baptist Church in Charlotte Sunday night about 9:30 o'clock, Mr. Lathrop dropped over on the pavement and expired in a few moments, death being due to heart trouble with which he had been a sufferer for several years. Sunday he appeared in a jolly mood and those who talked with him immediately before he went to church did not detect any singular symptoms. When he fell to the sidewalk a number of passers-by rushed to his assistance and carried him into a drug store with the idea of administering some restoratives. This was without avail, however, for he breathed but a few times after reaching the drug store, falling over in the arms of those who held him. The body was then taken to an undertaking establishment and prepared for burial.

Mr. Lathrop was in the 51st year of his age, being born in Augusta, Ga., April 30, 1858. In the early 70's he went to Polkton, Anson county, as agent and telegraph operator for the Carolina Central Railroad, which is now a part of the Seaboard system. About the year 1879 he removed to Maxton, becoming the first telegraph operator at that place. He filled the positions with the railroad with conspicuous ability, but tiring of the arduous duties he resigned to become bookkeeper for Wilkinson & Fore, at Alma, two miles from Maxton. In 1885 he was happily married to Miss Cora Fore, sister of Mr. C. H. Fore, of Wilmington; Mr. James A. Fore, of Charlotte, and Mr. P. A. Fore, of Richmond, Va. Later he became manager of the Alma & Little Rock railroad and in 1897 removed to Wilmington, where he was for some time bookkeeper for McNair & Pearsall and then took a similar position with Mr. J. A. Taylor. Three years ago he went to Charlotte to reside, but his family remained in Wilmington.

Mr. Lathrop is survived by his wife and five daughters, Misses Claire, Jessie, Bessie Ruth, May and Josephine Lathrop. Miss Bessie Ruth is a pupil of Meredith College, Raleigh.

Mr. Lathrop was an active member of the First Baptist Church of Wilmington while he was a resident of this city, being a deacon in the church, and was a regular attendant upon all of its services.

A friend speaking of him yesterday said that he was the most self-sacrificing man that he ever knew. He was generous to a fault. No man ever went to him for help but that he received it. Once when he was agent at Maxton he gave his bed to a man who had been injured and for more than a week he slept in a chair in the depot in order that the suffering man might have a comfortable place. This is only one of numerous instances of the kind in the career of Mr. Lathrop.

He will be greatly missed wherever and by whomever he was known and the members of the grief-stricken family have the tenderest sympathy of hundreds of friends in their bereavement.

CAROLINA CAFE.

Mr. Walter F. Clough Will Have Have Charge at Apartment House.

The residents of the elegant new Carolina Apartments, and the citizens of Wilmington generally, will be interested to know that the cafe in conection with the Carolina Apartments has been leased by Mr. Walter F. Clough, of Chicago.

Mr. Clough will take charge on October 1st, and arrangements have been made to enlarge and beautify the cafe so as to accommodate the steadily increasing patronage.

The Carolina has from 150 to 200 people in the building itself, and in addition to serving these there are a great number of other people who dine here. Since the opening of the building the cafe has been ably managed by Mrs. Eliza Cronly, and under her capable charge it has steadily grown in popularity.

Mr. Clough, while a Westerner by birth, has lived a great deal in the South and has for several years resided at Chadbourn, that rich little town in the heart of the strawberry belt. While in Chadbourn Mr. Clough met and married Miss Anna Brown, sister of Senator J. A. Brown, whose address before the High School last Spring created such favorable comment. Mr. and Mrs. Clough will, of course, reside in the Carolina. Mr. Clough has had many years' hotel and cafe experience, which admirably fits him for this work. In addition to the cafe itself he will give his professional services as a caterer to outside parties and take charge of functions, such as banquets, dinners, etc. Theatre parties can also be accommodated and a long felt want in this respect will be provided for.

A Complimentary Dance.

Messrs. F. W. Dock & Co., who are conducting a night dancing school at Concordia Hall have arranged for a complimentary dance on Friday night, October 1st. The event will be one of the first of the Winter season and will be made especially attractive. An orchestra will furnish music from 8:30 until 11 o'clock. The public is invited to attend.

Why Do You Worry

over the safety of your money. If you deposit it with The People's Savings Bank, your worries are at an end. You can get it at any time, with 4 per cent Compound interest added. Regular Interest Period October 1st. se 26 3t

WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done Great Service for People Who Work in Wilmington.

Most Wilmington people work every day in some strained, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious housework; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Wilmington cures prove it.

Joseph Vereen, 722 Dock St., Wilmington, N. C., says: "Some time ago I strained myself while lifting and soon after my back became very lame and sore. I could not stoop without having sharp pains shoot through my body. My kidnnys also bothered me and I had a constant desire to pass the secretions particularly at night. I could get nothing that would relieve me until I procured Doan's Kidney Pills at Robert R. Bellamy's drug store. Two boxes stopped the pains in my back and regulated the passages of the kidney secretions. I am very willing to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

EXAMINATION WAIVED.

Cases Against Mr. Geo. W. Britt Go to the Recorder.

When the cases against Mr. Geo. W. Britt, charged with violating the building laws, were called in Justice George Harriss' court at 4 o'clock yesterday afternoon counsel for the defendant announced that they would waive examination, and the cases were sent on to the Recorder's court, bond in the sum of $100 being required in each of the two cases. Mr. Britt is indicted under the State law for erecting a wooden building within the fire limits and for erecting a building without first getting a permit from the building inspector. The warrants were sworn out by Mr. H. E. Bonitz, building inspector. Appearing for the defendant are A. G. Ricaud and C. D. Weeks, Esqs., while Fred Bonitz, Esq., represents the prosecution.

HOT FLASHES ALMOST GONE

Woman in Aurora Gets Relief From Troubles by Taking Cardui, The Woman's Tonic.

Aurora, Ind.—"I was suffering from the change and had those hot flashes and severe backache all the time. At times I could hardly straighten up.

"I read about Cardui and got a bottle from our druggist and it helped me at once. Now the hot flashes have almost gone and I feel much better.

"I have recommended Cardui to several lady friends."

You need not be afraid to take Cardui, whenever you feel that you need a tonic. Its use will not interfere with that of any other medicine you may be taking. Its action is very gentle and without any bad after-effects. Being purely vegetable and non-intoxicating, Cardui can safely be taken by young and old, and can do nothing but good.

Cardui acts on a woman's constitution, building up womanly strength, toning up womanly nerves, regulating womanly organs. Half a century of success, with thousands of cures, similar to the one described above, amply prove its real, scientific medicinal merit.

You are urged to take Cardui, the woman's tonic. It will help you.

NOTE.—The Cardui Home Treatment for Women consists of Cardui ($1), Thedford's Black-Draught (25c), or Velvo (50c), for the liver, and Cardui Antiseptic (50c). These remedies may be taken singly, by themselves, if desired, or three together, as a complete treatment for women's ills. Write to: Ladies' Advisory Department, Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

HOME WITH HIS BRIDE

Mr. H. M. Hussey and Miss Moran Married in Baltimore.

Mr. H. M. Hussey and bride nee, Miss Margaret May Moran, who were married in Baltimore on the 18th of this month, arrived home Saturday after an extended bridal tour in northern cities, and are being greeted with much pleasure by the many friends of both the bride and groom in this city

Mrs. Hussey, prior to the marriage, has visited friends in this city on several occasions and has quite a number of acquaintances here. Mr. Hussey is the popular express messenger between Wilmington and Norfolk on the Coast Line. They are being extended the best wishes of a host of friends. They will reside at No. 6 Church street.

Entertainment This Evening.

An interesting and enjoyable entertainment will be given this evening by the Primary Departmet of St. Andrew's Presbyterian church in the lecture room at 8 o'clock. An attractive programme has been arranged and a silver offering will be taken. The public is cordially invited to attend.

Attention is called to the notice of Miss Hart and Miss Brown announcing the reopening of their school on Thursday next, which notice was, to our regret, inadvertently omitted on Sunday.

Suburban Winter Schedule.

The Winter schedule on the suburban line will go into effect on Wednesday, September 29th. The schedule will be published on Wednesday morning.

Wood's Descriptive

Fall Seed Catalog

now ready, gives the fullest information about all

Seeds for the Farm and Garden,

Grasses and Clovers, Vetches, Alfalfa, Seed Wheat, Oats. Rye, Barley, etc.

Also tells all about

Vegetable & Flower Seeds

that can be planted in the fall to advantage and profit, and about

Hyacinths, Tulips and other Flowering Bulbs, Vegetable and Strawberry Plants, Poultry Supplies and Fertilizers.

Every Farmer and Gardener should have this catalog. It is invaluable in its helpfulness and suggestive ideas for a profitable and satisfactory Farm or Garden. **Catalogue mailed free on request. Write for it.**

THE C. W. POLVOGT COMPANY

"The Store That's Always Busy"

AUTOMN IDEAS

We Announce Our

Fall Opening Days

Monday and Tuesday

Oct. 4th and 5th

on which days we will display for the first time our entire stock of new Fall Millinery, Suits, Silks and Dress Goods.

Our Miss Andrews and Miss Lundy, with a corp of helpers, have been busy since their return from New York, preparing for our opening. Never before have we shown such stylish millinery and at reasonable prices as we are going to show this season. Monday and Tuesday of next week, October 4th and 5th, will be our opening days.

NEW FALL SUITS—No firm in the city can show you the assortment you will find in our Suit Department. New Suits, new Skirts, new Rain Coats, new Sweaters for ladies and children, Kimonas and Dressing Sacques.

The Carpet department is in full blast, but we can still take care of your order.

THE C. W. POLVOGT CO.

SPIRITS TURPENTINE

—Rocky Mount, Sept. 25.—Five gold badges have been received by the five members of the local military company who won honors at the recent encampment at Morehead City. This is the first honors that have been conferred by the national authorities and this one of the youngest companies in the regiments of the State.

--Durham, N. C., Sept. 25.—Officer H. N. Dupree and Sergeant J. W. T. Aldridge, yesterday morning arrested Ed Torrin and Pattie Norman and yesterday afternoon they were taken back to Hillsboro. The man abandoned his wife and children and skipped with his wife's sister. They were found here living unlawfully and admitted it when arrested. They were taken back by Officer McDade, of Hillsboro.

—Manufacturers' Record: A report from Norfolk, Va., says it is rumored that the Pennsylvania Railroad Company will bid on the Norfolk and Southern Railway property, which is to be disposed of at receivers' sale on October 1. It is surmised that the Pennsylvania wants this road to connect with the New York, Pennsylvania and Norfolk Railroad, which traverses the Maryland, Delaware and Virginia Peninsula, and which is now being double-tracked to Cape Charles. This road reaches Norfolk by ferrying its cars between Cape Charles and that city, thirty-four miles, but it is said that an extension of the Belt Line from Norfolk to Cape Henry has been contemplated, and this would give a ferry of only eleven miles from Cape Henry to Cape Charles.

—Yorkville, S. C., Sept. 26.—From 13.25 to 13.37 was the ruling price for cotton on this market Friday and yesterday and it is claimed that the price paid here was from 1-4 to 1-2 cent higher than any of the surrounding markets, and as a result sales were large, almost every farmer who had any cotton ready for market taking advantage of the high price. Some farmers in this county sold a part of their crops last Summer for future delivery at prices ranging from 10 to 12 cents and they are sick of their trades. None of the cotton was bought by the local buyers, but it is said that the bulk of it was sold to Rock Hill buyers. Cotton seed sold on the local market yesterday at 37 cents a bushel.

—Wake Forest, Sept. 26.—Until 5 o'clock this morning the body of Luther Henson, a white man, about 30 years of age, who was probably killed by a Seaboard train between 2 and 5 o'clock this morning, lay beside the railroad track within a half mile of the station awaiting the arrival of Coroner Separk from Raleigh, who after investigating stated that as the man was killed within the corporate limits ha it was no within his jurisprudence. However, he stated, it was apparent that he was killed by a train. The man, who was an employe of the Royall cotton mills, was last seen about 1 o'clock this morning and was in a drunken condition. The body was discovered by a negro about 5 o'clock this morning. There was a cut in the back of the head about six inches long and two inches wide, and his brains were scattered 10 feet on the cross-ties. In his coat pocket was a broken whiskey bottle. The dead man is survived by a wife and two children.

—Durham, Sept. 26.—Some interest in the suits of the Y. M. C. A. against delinquents in the matter of their pledges, is created here by criticism of the association and suggestions that it isn't proper. The asosciation has been built at a great cost and since its completion it has a great amount of expense. The carpenters and the officers had to be paid and all current indebtedness met. Many did not come up with their pledges and the association after an abundance of warning, has put the claims in the hands of a lawyer. He is pushing them and there is a squeal from the "oppressed." The ground that the association takes is that there would have been no building erected unless it had accepted the pledges in good faith and acted upon that hope. There are several thousands out on these promises and the bills of the carpenters have had to be met otherwise. It has caused great inconvenience and as the association feels that one of the first requisites of good Christianity is the payment of debts, it has not failed to put the lawyer after the derelicts and make them good.

—Fayetteville, Sept. 25.—At a meeting of the Fayetteville Chamber of Commerce yesterday afternoon a resolution was passed expressing surprise at the disregarding of repeated requests made by the chamber of commerce and by other citizens for adequate facilities at the A. C. L. passenger station in this city, and directing its secretary to again take the matter up with the road's officials "with the hope that some satisfactory result may be brought about, without necessity for an appeal to law to secure the facilities the traveling public are entitled to. The chamber of commerce has for some time been engaged in systematic efforts to secure for Fayetteville a new station building in place of the old one now used by the Atlantic Coast Line. A conference was held here some months ago between officials of the road and of the chamber in regard to this matter. After this conference the railway officers announced that they could not construct a new depot at this point, but that improvements would be made in the present building, and plans showing these improvements were later submitted to the chamber for its approval. These plans were returned by Secretary F. R. Rose on June 11, accompanied by a letter informing him that the proposed changes were considered unsatisfactory and totally inadequate by the directors of the chamber of commerce, and that they preferred no changes to those proposed. This letter was ignored by the railroad officials, remaining unanswered, while work has been started on the remodelling of the depot.

Pure Whiskey Often Prevents Sickness

Many a serious sickness has been checked in time by the judicious use of

Sunny Brook THE PURE FOOD Whiskey

As a healthful tonic for home use or a wholesome stimulant in case of accidents or sudden illness, it has no equal. No home should be without it. Its moderate use is highly beneficial to those who are ailing and it will increase the vigor of those who are well. Genuine SUNNY BROOK Pure Food Whiskey is U. S. Standard (100%) proof and every bottle bears the "Government Green Stamp" showing the correct age and measure.

WATER WORKS
Distributing System, Wilmington, N. C.

Sealed proposals will be received for materials and labor in connection with the above work by the Water and Sewerage Commission of Wilmington, N. C., until twelve (12) o'clock, noon, of Thursday, October 21st, 1909, when they will be publicly read.

Plans and specifications may be consulted and blank forms procured at the office of the Commission, Wilmington, N. C., or at the offices of the Consulting Engineers, and to whom requests for additional information should be addressed.

A set of prints consisting of map and details may be procured by addressing direct the Southern Map Company, Southern Building, Wilmington, N. C., by prospective bidders at a net cost sixty cents (60) delivered.

Each proposal must be accompanied by a certified check in the sum of five (5) per cent. of the amount bid as evidence of good faith upon the part of the bidder.

The Commission reserves the right to reject any and all bids, or waiving informalities, to accept any which may seem to it to be to the best interest of the City of Wilmington.

TURKEYS—Out of season.

THE COTTON MARKET.

(By Wire to the Morning Star.)

New York, Sept. 27.—There was a severe break in the cotton market today under general liquidation with the close weak at a net decline of 28 to 33 points. The greatest weakness was late in the day, a steadily sagging market uncovering stop loss orders, and leading to considerable excitement.

The opening was irregular at an advance of 7 points to a decline of 7 points, near months being relatively firm at the start in response to the high cables, but soon easing with the later positions under liquidation in the absence of bull support. The failure of any of the big market leaders to come to the assistance of the market tended to increase the disposition of smaller bulls to take profits, while some of Saturday's buyers seemed to be disappointed that the tropical storm had not reached the cotton belt over Sunday. Then, too, here was naturally some inclination to even up accounts before the publication of the government report on Monday. At any rate, and while there were slight reactions the general tendency of the market was downward and in the last half hour offerings became extremely heavy with December contracts selling off to 13.17 and January to 13.14, or about 29 to 32 points net lower. This represented a reaction of nearly $2 per bale from the high records made last Friday but the market developed no rallying power and closed at practically the lowest figures of the day. Manchester advices claim that the highest prices were checking business in goods but generally speaking, reports from dry goods circles were considered encouraging, and the decline was quite commonly attributed to an over extension of the scattering long interest and a temporary withdrawal of bull support following the recent sensational advance.

Receipts at the ports today 60,435 bales against 48,320 last week and 54,010 last year; for the week 300,000 bales against 277,104 last week and 340,543 last year. Today's receipts at New Orleans 5,281 bales against 5,767 last year and at Houston 33,793 bales against 14,100 last year.

Spot cotton closed quiet, 5 points lower; middling uplands 13.55; middling gulf 13.80; sales 5,600 bales. Futures opened steady and closed weak.

Month	Open	Close
September	13.50	13.15
October	13.50	13.16
November	——	13.16
December	13.49	13.16
January	13.46	13.14
February	——	13.15
March	13.51	13.21
April	——	13.21
May	13.52	13.22
June	——	13.18
July	13.47	13.15

PORT MOVEMENT.

(By Wire to the Morning Star.)

Galveston—Steady, 13 3-16; net receipts 19,043; stock 116,351.

New Orleans—Steady, 13 3-16; net receipts 5,281; stock 61,786.

THE LIVERPOOL MARKET.

(By Cable to the Morning Star.)

Liverpool, Sept. 27.—Spot cotton good business done, prices 8 points higher. American middling fair 7.28; good middling 7.59; middling 7.36; low middling 7.18; good ordinary 6.92; ordinary 6.67. The sales of the day were 12,000 bales of which 500 were for speculation and export and included 11,500 American. Receipts 3,400 all American.

Futures opened firm and closed easy. September 7.15 1-2; September and October 7.07 1-2; October and November 7.04; November and December 7.00 1-2; December and January 7.00 1-2; January and February 6.99 1-2; February and March 6.99; March and April 6.98 1-2; April and May 6.98 1-2; May and June 6.98 1-2; June and July 6.98 1-2; July and August 6.96 1-2.

THE DRY GOODS MARKET.

(By Wire to the Morning Star.)

New York, Sept. 27.—The cotton goods market was strong during the day and substantial price advances were named in keeping with the recent advance in cotton. Leading houses will close on Tuesday, Thursday and Saturday afternoons because of the Hudson-Fulton celebration. Raw silk was steady. Dress goods were quiet.

FINANCIAL MARKET.

(By Wire to The Morning Star.)

New York, Sept. 27.—Money on call firm 2 3-4 to 3 per cent., ruling rate 2 7-8 to 3; closing bid 2 1-2; offered at 2 7-8 per cent. Time loans slightly easier; 60 days 3 3-4 per cent., and 90 days 4 per cent., six months 4 1-2 per cent. Prime mercantile paper 4 1-2 to 5 per cent. Sterling exchange easy with actual business in bankers' bills at 4.8425 to 4.8435 for 60 day bills and at 4.8610 for demand. Commercial bills 4.83 3-4 to 4.84. Bar silver 51 58. Mexican dollars 43.

MARKET GOSSIP.

(By Wire to the Morning Star.)

New York, Sept. 27.—There seemed to be an accession of confidence today on the part of speculative buyers and holders of stocks founded on the mere passing of the two days holiday interval. Some of the buying came from professional bears who had gone short over the holiday. There was some buying also attributed to speculative holders of long stocks who had sold out on Friday last from the fear of accidents during the closed interval. The most impressive buying, however, was that in United States Steel which was of a breadth and volume that gave it the semblance of a miscellaneous demand from widespread public sources. A veritable wave of buying was declared to be sweeping over the iron market. Railroad traffic managers reported a growing anxiety on the part of the great railroad systems for the return of their freight cars sent out to other railroads. Better reports came from the copper trade. The conservative tone of warning from many important commission houses which went out at the end of last week and the unfavorable bank statement which appeared on Saturday while the stock exchange was in recess were without influence in curbing the revived strength of stocks. The demand proved to be much congested, especially in United States Steel and the day's aggregate dealings showed a shrinkage.

Bonds were irregular. Total sales, par value, were $3,538,000. United States bonds were unchanged on call. Total sales of stocks today were 707,700 shares.

Cabbages—Steady 1.50 to 3.50 per 100.

The Produce Exchange here will close at 1 o'clock Tuesday and 1:30 Thursday of this week.

CHICAGO PRODUCE MARKET.

(By Wire to the Morning Star.)

Chicago, Sept. 27.—Brisk demand for cash wheat at all grain centers in this country offset the effect of record breaking receipts in the Northwest, caused firmness in the wheat market here today. At the close prices showed gains of 1-4 to 1 1-4c compared with Saturday's final figures. Coarse grain and provisions closed firm.

—Asheville, Sept. 24.——The jury in the Superior court this afternoon in the case of T. E. Curtis, administrator, against the Southern Railway, returned a verdict finding for the plaintiff and aawrding damages in the sum of $17,000. This suit grew out of the killing at Rudd, October 17, 1907, of B. Allen Bryant, who six weeks before the accident was married heer to Miss Marie Curtis. The deefndant appealed and hopes for a new trial on a part of Judge Adams' charges to the jury.

The Road to Success.

has many obstructions, but none so desperate as poor health. Success today demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of the stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and keen brain follow their use. You can't afford to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by R. R. Bellamy.

MR. GREEN PROMOTED.

Appointed a Traveling Passenger Agent of the Coast Line.

Mr. L. P. Green, who has for a number of years been connected with the Coast Line in this city, has been appointed a traveling passenger agent on the system, with headquarters at Thomasville, Ga. The announcement was recently made from the office of General Passenger Agent T. C. White.

Mr. Green will assume charge of his new duties the first of October. He is a popular young man, who gained his fine promotion through faithful attention. Mr. W. D. Stark, the traveling passenger agent at Thomasville, has been transferred.

Prof. Seagle Arrives.

Prof. P. E. Seagle, of Raleigh, the newly elected principal of the Wilmington High School, arrived in the city last evening and with Mrs. Seagle, who accompanies him, he is a guest at The Orton. Many of the teachers in the schools also arrived yesterday to have everything in readiness by the opening of the term on Monday.

The "Baby-Waker" Sale

is still going. Large crowds and liberal buying are the features. The low prices published in the large advertisements are still holding good.

New arrivals of rugs, pictures, imported dinner sets, tables, hampers, clothes baskets and several other articles have been added this week. Positively no such values ever seen in Wilmington. Call and inspect them if you wish to buy or not. We are pleased to show goods and invite comparison. This sale, as all our sales, is bona fide. No bluff, no hot air. Unequaled values our motto.

The Wilmington Furniture Co.

LUMBER AND SHINGLE MILLS

The largest stock of cypress shingles carried in the State. We always have over a million in stock.

We make 13 different grades and sizes, varying from $2.00 to $10.00 per M. Our shingles are recognized in the Northern Markets, as well as in the West Indies, as the very highest standard, both in grade and manufacture. "We have a standing guarantee that " we give (2) good ones for (1) bad one."

Don't buy any shingles that do not have W. W. Koch in large type on every bundle.

We do not dip the ends of our shingles in red ocre to hide windshakes and other defects. Don't buy until you get our prices and compare the shingles. We make and dispose of 20,000 shingles per day.

We furnish all the shingles t for the government at Fort Caswell, ours being the only shingles tat stand government inspection.
